JULY 2003

Second Anniversary of SEA (India)

SEA (India) celebrated its Second Anniversary on 21st June 2003. Shri R. Thiruvengadam, Chief Inspector of Factories, Govt. of Tamilnadu, presided over the function. In his address, he said that industrial accidents in Tamilnadu are in the downward trend, though the number of industries is on the increase. He also stated that the accident rate in Tamilnadu is nearly one-third when compared to many other states. The achievement was the result of the sustained efforts, taken by the factory inspectorate in enforcing the safety requirements. The inspectorate concentrates also on safety education apart from enforcement.

Mr. Arun Bewoor, Managing Director, International Flavours and Fragrances, during his Chief Guest Address, said that safety should be measured like any other function of management. He remarked that the safety engineers were the torch bearers of safety in India.

Prof. Mohammed, Principal of Crescent Engineering College, in his Keynote Address, said that a lot of change in mind-set was still required among the people for achieving safety culture. He emphasized that workers and
