JANUARY-MARCH 2009

Third Set of Contact Classes for NEBOSH Exams inaugurated

Third set of contact classes for two batches of students were held during 19th February 2009 to 1st March 2009. The contact classes were formally inaugurated by Dr. T.K. Parthasarathy, Pro Chancellor, Sri Ramachandra University on 19th February 2009. Dr. Kalpana Balakrishnan, Head, Environmental Engineering Department, Sri Ramachandra University offered felicitations. Mr. R. Thiruwengadam, President, SEA-India presided over the function.

Earlier, Mr. R. Parameswaran, NEBOSH Course Co-ordinator extended a warm welcome to all and Mr. W.A. Balakumaran, Lead Tutor briefly

explained the course methodology. Mr. P. Manoharan, Secretary, SEA-India proposed vote of thanks. Total of 38 students from both the batches were present along with officials from SEA-India and Sri Ramachandra University.

You may be aware that SEA-India and Sri Ramachandra University are jointly conducting the International Certificate Course of NEBOSH, UK since year 2007, as an accredited body. First set of contact classes for 2 batches of students during Feb-March 2008 and second set of contact classes for another two batches during Aug-Sept. 2008 were held for the examinations conducted in March 2008 and September 2008 respectively.
